PROJECTS

• STUDENT CONTACT MANAGEMENT SYSTEM

The student contact management system is software which can be used to manage and maintain the contact information for admission process. This application is very useful to schools and colleges.

• ACME APTITUDE TEST WEBSITE

Acme Aptitude Test is a website which is developed to assess student's abilities. It reduces physical work and saves time and money of students by solving various aptitude exams virtually using Internet and allows students to check their score and ranking.

• CSESA VOTING APPLICATION

CSESA voting app aims to digitize the election process at our college. It provides a convenient and efficient way for students to cast their votes. It is a flexible way to vote anytime and anywhere.
